

## CentreStage Theatre Walkaround

You will find Ayrshire's Arts Academy at 15 Elmbank Drive, Kilmarnock, KA1 3AE.

We are situated at the towns for Kilmarnock Academy site.

When you come to the facility, the primary access point is situated to the right-hand side of the historic building.

At this end, you also have access to Car Park A. For our secondary car park, you want to follow the road to the left until you come to a set of green gates.

Once you walk round you will enter our outdoor garden area. If the weather is nice, you'll be able to have a seat outside whilst you wait for the show!

This is the reception area. Here you will be able to receive information on any enquiries you may have.

The reception also constitutes as our box office. You can also reach it by contacting us on 01563 551505 or [info@centrestagemt.org.uk](mailto:info@centrestagemt.org.uk)

As you will see, our facility also possesses a defib in case of emergencies.

Onsite we also have our own Café Bar. Here you will be able to purchase food, drink, and snacks which you can enjoy.

All items can be taken through to the theatre so long as they are in disposable plastic containers.

Just down the corridor, our facility not only provides lift access to maintain our venue as

a disabled and wheelchair friendly environment, but also provides nearby accessible toilets.

To provide suitability in the modern age, our toilets are differentiated into male, female, use for all, and disabled.

Our Theatre itself is divided into two areas, our stall area is downstairs and is the main tiered seating part of the room.

Upstairs in the Circle area features our gallery viewing seating as well as our two boxes.

A ramp has been inserted so that our wheelchair users have access to enjoy the show from the comforts of the front row!

This corridor also possesses two toilets which are also fully accessible.

Our Theatre provides access to either side of the row and is tiered to provide the best viewing experience without the need to bob your head in the opposite direction from the tall one in front of you!

The only thing to do now is sit back, relax, and enjoy the show!
