# VISUAL GUIDE FOR DRACULA: MINA'S RECKONING AT EDEN COURT

I am going to Dracula: Mina's Reckoning at Eden Court, Bishops Road, Inverness, IV3 5SA.

The evening shows will start at 7.30pm. The afternoon show will start at 2.30pm. I should arrive a little earlier than this.

The show will last around 2 hours and 10 minutes and will include an interval break.

This is the entrance to Eden Court where the performance will be taking place.

The front of Eden Court looks like this. I will enter through these doors.

When I walk inside the centre I will see this area called the foyer.

There will be staff who can help with any questions about the event. It might be quite busy and noisy with other members of the audience.

This is the Ticket Sales desk. This is where I can buy or collect tickets for the show.

If I have an e-ticket on my phone, or already have a paper ticket, I do not need to go to the Ticket Sales desk.

When I have my tickets, I can go into the theatre. My ticket tells me which door to use.

This is the sweetie shop where I can buy snacks, juice and water before the show and during the interval. It is at the right hand side of the Ticket Sales desk.

I can also buy a drink at the bar.

I will need to show my ticket to the ushers when I go into the auditorium, which is called the Empire Theatre. They can help me if I need to ask questions.

**Toilet:** If I need to go to the toilet I should look for these toilet signs or ask an usher for directions.

**Auditorium/ Performance space:** Dracula: Mina's Reckoning takes place in a traditional theatre.

I will watch the performance in this large room. My seat number is on my ticket. It will have a letter for the seating row and a seat number. An usher can help me find it.

The lights will dim when the show is ready to start and the actors will come on to the stage.

The actors won't talk directly to me during the play. They will be in character.

I will need to be quiet while watching the show.

If I find sounds or lights disturbing during the show, I can ask a member of staff for earplugs, ear defenders or dark glasses at any time. I will need to return them after the performance.

If I would like to take some time out during the play I may leave at any time and find a seat in the foyer or the bar until I am ready to go back in.

At the end of the show the audience will clap to show the actors that they enjoyed the show.

When the clapping has ended, the lights will get brighter. This means the show is over.

I can now leave the theatre. Front of House staff will show me which way I can exit.
