

VENUE VISUAL GUIDE

I am going to see a show at Birnam Arts, Station Road, Birnam, Dunkeld, PH8 0DS.

This is Birnam Arts where the performance will be taking place.

The main entrance is at the front of the building. I will walk through the white doors to enter the venue.

This is the accessible entrance. I can find it on the right hand side of the main entrance.

This is the Box Office. I can find it at the main entrance door.

This is where I can buy tickets or check in if I have an e-ticket on my phone, or if I have a paper ticket.

When I've checked in, I can go straight into the auditorium.

This is the Foyer. I can find it by following the walkway from the main entrance and turning right, or if I am using the accessible entrance, the Foyer will be straight ahead.

There will be light background music playing, with low lighting. There will also be staff who can help with any questions about the event. It might be quite busy and noisy with other members of the audience.

There is a Café in the Foyer where I can buy drinks and snacks before the show.

I can also take a seat here while I wait for the show.

There are toilets and accessible toilets available past the Café counter on the right hand side.

The door to the auditorium is in the Foyer.

I will not need to use the lift or stairs. All communal areas are on the ground level.

If I need directions at any point, I can ask a member of Front of House staff for help.

Auditorium/ Performance space: I will watch the performance in this room. There will be seats facing the stage. I can pick any empty seat I want.

The lights will dim when the show is ready to start, and the actors will come on to the stage. The actors won't be able to talk directly to me during the play. They will be in character. I will need to be quiet while watching the show.

If I find sounds or lights disturbing during the show, I can ask a member of staff for earplugs, ear defenders or dark glasses at any time. I will need to return these after the performance.

If I would like to take some time out during the play I may leave at any time and take a break in the Foyer until I am ready to go back in.

At the end of the show the audience will clap to show the actors that they enjoyed the show.

When the clapping has ended, the lights will get brighter. This means the show is over.

I can now leave the theatre.

I should exit back through the way I came in.
