

# **VENUE VISUAL GUIDE**

# TRON THEATRE

I am going to see a show at the Tron Theatre, 63 Trongate, Glasgow, G1 5HB

This is the Tron Theatre where the performance will be taking place.

I can enter through this entrance, which will take me up to a set of automatic doors which will lead to the foyer and box office.

There is a ramp at this entrance.

---

At the box office I can buy tickets or collect prepaid tickets for the show. It may be quite busy in the box office area with other audience members.

There is a concessions stand on the right hand side of the foyer where I can buy drinks and snacks before the show.

There are two entrances to the Main Auditorium where the performance will be taking place, in the foyer, one on either side of the Box Office.

If you are seated in the upper section of the auditorium, there are entrances on both the right and left hand sides of the foyer, past the concession stands.

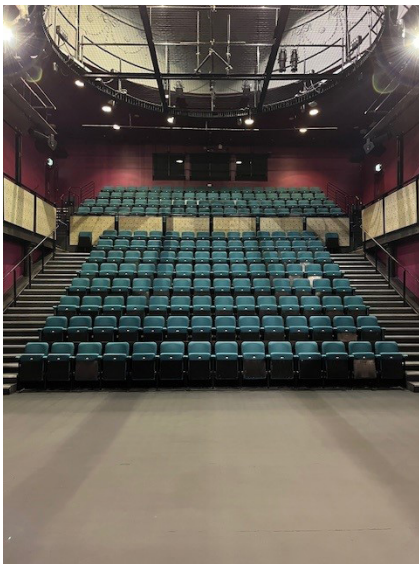

There are stairs to the upper section of the auditorium on both sides of the foyer, and a lift on the right hand side.

I can buy drinks and food at the Vic Bar before the show.

The Vic Bar is located to the left of the box office down a corridor.

---

I will watch the performance in this room.

An usher can help me find a seat and I will need to show them my ticket when I enter.

When the show is ready to start, the lights will dim when the show is ready to start and the actor will come out onto the stage.

At the end of the show the audience will clap to show the actors that they enjoyed the show.

When the clapping has ended, the lights will get brighter. This means the show is over.

I can now leave the theatre.

I should exit through the foyer.

**Toilet:** If I need to go to the toilet I should look for these toilet signs or ask an usher for directions.
