

VENUE VISUAL GUIDE

I am going to see a show at Grangemouth Academy, Tinto Dr, Grangemouth FK3 0HW

There is a Car Park and Disabled Spaces at Front of School. This is not the entrance to the performance space

I should walk up the left side of the school towards the entrance

I should enter through this entrance to the performance space. There is a drop off point directly outside this entrance if I have any mobility issues.

I will then be in the waiting area, inside of the entrance to the performance space. I will find the Front of House desk set up in this space.

I will be taken by a member of the FOH team through this corridor. I will find the performance space through the door on the right.

I will go through this door into the main performance space.

I will find the nearest fire exit in the main performance space. In the event of an evacuation you will be guided by the Front of House team.

I will find the toilets situated in the corridor alongside the entrance to the performance space.

At the end of the show the audience will clap to show the actors that they enjoyed the performance.

When the clapping has ended, the lights will get brighter. This means the show is over.

I can now leave the theatre. The front of house staff will show me which way I can exit.
